FOR IMMEDIATE RELEASE

VEGAS PORN COMPANY OFFERS LEVI JOHNSTON \$25,000 TO TAKE IT ALL OFF
American Politic's First Baby Daddy Sought To Appear Naked In Solo Video

From LeviNaked.com

In an open letter to Levi Johnston, StraightCollegeMen.com has offered Bristol Palin's baby daddy \$25,000 to complete a solo video for its website.

"I've always thought he'd make a good model for us. Decidedly straight and rugged, yet savvy enough to know exactly what he's doing," says Justin Clouse, owner of Bait & Tackle®, a Las Vegas based motion picture production company which runs StraightCollegeMen.com amongst its sites.

"When I heard him say that he'd consider posing nude for enough money, I knew we had to make a tangible offer. \$25,000 is a lot of money for an hour of his time, but I've been wanting to add a celebrity to StraightCollegeMen.com's roster for a long time," Clouse continued.

Indeed, upon watching Bravo's *Watch What Happens Live* with Andy Cohen and hearing Johnston respond to a question about if he'd ever consider posing nude, the team at Bait & Tackle immediately came up with a plan to take him up on the offer.

At LeviNaked.com, an open letter reads:

Levi,

Having seen your recent interview where you said you'd consider posing nude for the right amount of money, StraightCollegeMen.com would like to offer you \$25,000 to participate in a solo jerk off video.

Given your well known heterosexuality, you likely don't know StraightCollegeMen.com and its hundreds of naked straight men, but we've been around for eight years. If you've been to Las Vegas lately, perhaps you've seen one of

the eighteen billboards Bait & Tackle®, our parent company, has around town seeking models for a \$500 audition.

We're prepared to offer you 50 times the regular amount for a couple hours of your time.

We would obviously pay, too, for your first class flight, hotel accommodations on the strip, and limo.

Please contact us at 702-987-9567 to discuss things further.

Hope to hear from you soon and best of luck in your endeavors,

Justin Clouse

Wade Howard, Director of Model Recruitment at Bait & Tackle, said, "It's an obvious fit. Our name's Bait & Tackle and he's a self-described red neck from Alaska. Now the only question is if he's got the ammo to shoot off a few rounds."

Bait & Tackle is eagerly awaiting to hear back on its offer.
